

Philips  
Kettle

1.5 liter

2400 W

HD4686

## Have it your way, exactly your way

Simply choose the temperature you need

The new Philips kettle puts you in charge. Choose 40, 60, 80 or 100°C to use fresh, hot water for any purpose you have in mind. Whether it's a sauce (60°C), green tea (80°C) or noodle soup (100°C), you'll get exactly the right temperature.

### Advanced

- Temperature setting for 40, 60, 80 or 100°C
- Keep warm function keeps the water at your set temperature

### To meet your needs exactly

- Illuminated electronic and accurate temperature control
- Memory function activates your last setting with one touch
- Filter keeps your water clear and your kettle clean

### In the easiest way

- Two sided water level indicators for left & right handed use
- Cord winder for storing excess cord length
- Bell sounds when water has reached boiling point
